Most of all, J. Shelton Wicker was our Friend.

If you wake up and don't want to smile,
If it takes just a little while,
Open your eyes and look at the day,
You'll see things in a different way.

Don't stop, thinking about tomorrow,
Don't stop, it'll soon be here,
It'll be, better than before,
Yesterday's gone, yesterday's gone.

Why not think about times to come,
And not about the things you've done,
If your life was bad to you,
Just think what tomorrow will do.

Don't stop, thinking about tomorrow,
Don't stop, it'll soon be here,
It'll be, better than before,
Yesterday's gone, yesterday's gone.

All I want is to see you smile,
If it takes just a little while,
I know you don't believe that it's true,
I never meant any harm to you.

Don't stop, thinking about tomorrow,
Don't stop, it'll soon be here,
It'll be, better than before,
Yesterday's gone, yesterday's gone.

Don't you look back,
Don't you look back.

“DON'T STOP”

How to Find Happiness

Happiness is something that is never far away,
It's as close as the things we do and we say—
So start out today with a smile on your face
And make this old world a happier place.
